Islip, NY –Islip Town Supervisor Phil Nolan and Councilman John Edwards recently presented checks in the amount of \$4,388.54 to both the EJ Autism Foundation and the Boomer Esiason Foundation for Cystic Fibrosis.

The checks to each charity represent proceeds raised from the Second Annual Great South Bay Youth and Adult Triathlons held on June 5th and 6th, 2010, respectively. Starting from the East Islip Marina, over six hundred participants swam, biked and ran throughout the streets of East Islip for a good cause while having fun and promoting fitness. The races were sponsored by the Town along with Southside Hospital and the Great South Bay YMCA. A triathlete himself, the races were organized by Councilman Edwards for the first time last year.
